The foregoing is a true copy from the records of the American Kennel Club.
In witness whereof, the Official Seal is affixed hereto this ..... day of .....

Know Your Dog's "Family Tree"

The American Kennel Club will issue a Certified Pedigree for any dog that is registered with the American Kennel Club.

The Pedigree is your dog's ancestry — compiled from our original records — and its authenticity is affirmed by the AKC seal affixed to every Pedigree.

Championship titles and obedience degrees that have been attained by any of the dogs appearing in your dog's background are shown.

Of course, the registration number of each antecedent is given.

A facsimile of the Certificate is shown above. Actual size is 11 x 9-1/4 inches. 3 generation pedigree $3.00 — 4 generations $6.00. Enclose the coupon with remittance in an envelope addressed to The American Kennel Club, 221 4th Avenue, New York 3, N. Y., marked attention "Certified Pedigrees."

THE COMPLETE DOG BOOK

completely revised • completely re-edited • completely new

111 Breed Standards — revised to August 1, 1954 and now compiled in one section of the book.

117 illustrations — many new — have a separate section, too. New drawings by a well-known dog artist. Chapters on Care and Breeding — rewritten and up to date. Breed histories carefully edited.

Cost – the same as before – $2.95

What the dog owner wants to know about pure-bred dogs is set forth authoritatively in this official publication of The American Kennel Club — the origin, history, and standard of all breeds of dogs admitted to AKC registration; their breeding, feeding, handling; puppy raising, first aid, and care in health and illness; diseases and ailments together with their treatment; and anatomical line drawings as well as a terminology defining expressions unique to the sport.

It has required many years to obtain and assemble the material contained in THE COMPLETE DOG BOOK. The majority of the special articles on the origin and history of breeds have been furnished by the respective breed clubs and edited by a committee which has endeavored to trace the presented facts into the annals of the past as accurately as available research facilities permit. The chapters on care and breeding have been supplied and edited by veterinarians of highest rank.

Pictured are all breeds admitted to registry by The American Kennel Club, as well as those varieties of breeds which differ in coat. Each picture has been selected, after careful consideration, as typical of its breed. For the most part these are champions of the past which are portrayed to serve as guides to further understanding of the written histories and standards.

No breeder, fancier, or judge can afford to be without this volume, which is the most authoritative of its kind ever published. Illustrations include 117 pictures of pure-bred dogs, also ten pages of anatomical drawings.

THE COMPLETE DOG BOOK

is an official publication of

THE AMERICAN KENNEL CLUB

221 Fourth Avenue – New York 3, N. Y.

The Standard, a picture, and a history of each one of the 111 breeds named below appears in the COMPLETE DOG BOOK
